## STUDIO POLICY

### PAYMENT

- Payment is based on 6 or 8 total lessons, as per the parents' choice.
- Much more than actual lesson time is covered by payment, including:
  - a guaranteed time reserved for the student, that is never resold to someone else
  - childcare arrangements made for my own children, to keep our time distraction-free
  - administrative work & planning time
  - studio supplies
  - studio website expenses
  - regular instrument maintenance
  - studio upkeep.

Due to the above factors, I am unable to refund student cancellations.

- RETURNED CHECKS: A \$25 fee will be charged to cover any bank fees for returned checks.

### ABSENCES

- Cancellations should be communicated by text message as soon as possible. Any teacher-cancelled lesson will also be communicated by text ASAP (to be rescheduled or refunded).
- Students who quit altogether prior to the agreed-upon ending date will not be refunded, since I cannot fill their spot at that late date.

### REMOVAL

- Students may be removed without refund for family's failure to comply with studio policy, theft or destruction of property, uncooperative attitude, repeated tardiness or lack of preparedness.

### SAFETY

- All students will wash hands before starting the lesson and hand sanitizer is available as needed.

### ARRIVAL PROCEDURE

**PLEASE PARK...** on West Maple Avenue so you can see the door.

**PLEASE WAIT...** in your vehicle until I open the door at the lesson's start.

**PLEASE DON'T...** knock or ring the doorbell... it interrupts the student before you.

**PLEASE REMEMBER...** only students are permitted inside.

**Kindly communicate the above information to whoever is bringing your child to/from lessons.**

**What to do with 30 minutes while your child is inside? Walk around our neighborhood, visit local playgrounds, the Myerstown Library, coffee shops like Timber Creek or Sugar Shaker, drive thru McDonald's or Twin Kiss. Enjoy your time but please be punctual when returning for your child. Due to the next lesson starting, I cannot wait with children for late parents to pick them up.**

### PLEASE BRING TO EACH LESSON

- ☒ Songbook, purchased from choices listed on the website
- ☒ Practice folder, sent home at the first lesson
- ☒ Optional: spill-proof water bottle

### \*DUO OPTION / HALF-PRICE INFO:

Each student pays \$30 for the method book, except for siblings who may share.

The \$30 is subtracted from the total price, then cost is cut in half. So...

6-Lesson Cost of \$170 (minus \$30 for book) = \$140; half of \$140 = \$70 Total Due

8-Lesson Cost of \$215 (minus \$30 for book) = \$185; half of \$185 = \$92 Total Due
